

University of the District of Columbia Department of Intercollegiate Athletics

2024 Equity In Athletics Report – October 15, 2024

The Equity in Athletics Disclosure Act (EADA) was designed to make prospective students and prospective student-athletes aware of an institution of higher education's commitment to providing equitable athletic opportunities for men and women students. The EADA requires the disclosure of information about varsity teams and the financial resources and personnel the institution dedicates to those teams.

Any co-educational institution of higher education that participates in a federal student aid program must prepare an EADA report by October 15. Institutions must also report data to the U.S. Department of Education via an on-line survey. The survey is mandatory.

Data collected in the survey is published by the Office of Postsecondary Education on the Equity in Athletics Data Analysis website located at <http://ope.ed.gov/athletics>. In addition, the data collected in the survey is provided by institutions in accordance with the EADA and may not be the same as the data used for determining compliance with other Federal or state laws, including Title IX of the Education Amendments of 1972.

The University of the District of Columbia Department of Intercollegiate Athletics is an active NCAA Division II member institution. The Firebirds compete in men's and women's basketball, women's cross country, men's and women's tennis, men's and women's lacrosse, women's indoor and outdoor track & field, men's soccer and are members of the East Coast Conference.

General Information

Number of full-time undergraduates as reported on 2023-2024 IPEDS:

Male full-time undergraduates 531 46%

Female full-time undergraduates 619 54%
